# World Fit For Children

*Too busy to bake this Christmas?*

*Want to make a difference in the life of a child living in poverty?*

This Christmas, let us take care of your Christmas baking with delicious and beautifully presented home-made recipes! Proceeds from this Christmas Bake Sale will go to the non-profit organization World Fit For Children. Currently, World Fit For Children is raising funds to maintain the school for girls in India that is being constructed with the funds from last year. Your contributions will help make this possible!
